August Monthly (7/1/07-7/31/07)

Following are responses to the questions you raised:

- 1) The receipt on line 17 from the State of Ohio was our tax check-off funds.

- 2) Disbursements on line 21(b) are as follows: county poll was for a local county race and did not meet FEA definition, postage for donor mailing-4587 was for hdqtrs operating dollars fundraising and was not for any event, printing, binding for campaign school was for packages for our yearly campaign school-this campaign school was targeted to our non-federal races as we did not have any federal races during this period.
